MORNING

Set off with your guide for the heritage walk.

If you want to discover the essentials of the Pink City in a single guided tour, this is the perfect choice! Enjoy **a panorama of the city's main sites and monuments**: Place du Capitole, Saint-Sernin Basilica, and also the beautiful viewpoints **along the Garonna river**.

Experience the different atmospheres of Toulouse, from the bustling Place du Capitole to the spiritual Saint-Sernin Basilica, passing by the lively Garonna river. The guide expertly connects the sites while highlighting a ray of light or a recent restoration.

Transfer by coach to the Cité de l'espace.

LUNCH

The Cité de l'espace restaurant welcomes you for lunch. Menu includes starter, main course, dessert, wine, and coffee.

AFTERNOON

Walk on the Moon, board the Mir space station, marvel at the Ariane 5 rocket, and **dream with your head in the stars...**

You can do all this at the Cité de l'espace, just steps from central Toulouse. The Cité offers 2,500 m² of interactive exhibitions to become an expert on Earth and the Universe, learn all about space flights, and even discover how to forecast the weather.
