 INCL. TAX
 PER PERSON

 TUESDAY,
 WEDNESDAY,
 FRIDAY, SATURDAY

THIS PRICE INCLUDES:

- a guided tour of Toulouse
- lunch
- admission to Airbus and the aerospacia museum
- production and organization costs

MORNING

Set off to discover the must-sees of the city!

On the Place du Capitole, your guide evokes a touch of antiquity before presenting the opulence of the judicial and commercial city of the 18th century, displayed on the impressive pink-and-white façade!

Follow the Rue du Taur to the **Saint-Sernin Basilica**, a masterpiece of Romanesque art and a major stop on the pilgrimage route to Santiago de Compostela.

Further on, visit the **Church of the Jacobins**, a noble brick nave and Gothic heart of the 13th and 14th centuries, where the memory of the Cathar heresy and the history of one of France's oldest universities linger.

This tour also takes you to **the Garonne River**, the city's lifeline and a source of both strength and challenge. You might hear echoes of the boatmen who once hoisted barrels onto vanished barges, while today, walkers bask in the sun along the riverbanks.

LUNCH

Enjoy a break on a terrace, in a cellar, above the market, or in a lively neighborhood — discover our selection of top Toulouse addresses! Menu includes starter, main course, dessert, wine, and coffee.

Information and bookings – Groups service:

AFTERNOON

Board your coach and head **behind the scenes of the aeronautics giant: the Airbus factories**. A unique opportunity to see the latest generation of Airbus aircraft! Learn about the history of aviation in Toulouse.

- Bus tour across the 700 hectares of Airbus facilities in Toulouse
- Stop at the A350XWB assembly line viewpoint
- Detailed presentation of the production process

Your afternoon continues with a self-guided visit to the Aerospacia Museum, featuring **an aeronautical journey with exhibitions on aviation science and technology**, allowing a close look at Concorde, Caravelle, Super Guppy, A300, and the main restored aircraft from the “Ailes Anciennes” collection.
